Clear Surface Sealers

CoverSeal AC250

Water Based High Performance Clear Sealer

Travertine Tile

Decorative Concrete

- **Non Yellowing**
- **Fast Drying**
- **Breathable**
- **Damp Surface Tolerant**
- **No Water Whitening**
- **Gloss and Matte Finish**
- **Extremely Water Resistant**
- **Resists Mold and Mildew**
- **Very Low Odor**
- **High Coverage Per Gallon**

CoverSeal AC250 is high performance acrylic water dispersed clear sealer in a VOC compliant formula. When applied to porous tile, stone and concrete the product will produce a hard wearing gloss wet look surface that provides protection against stains and exceptional water resistance. AC250 is virtually odorless, fast drying and can be applied by roller or pump-up sprayer. **Ideal for Marble, Mexican Tile, Slate, Blue Stone, Travertine, Concrete floors, Clay Barrel, Colored and Stamp Concrete, Natural Stone, Brick Pavers, Interior or Exterior use.**

**Schools • Hospitals • Retail • Cafeterias
Grocery Stores • Nursing Homes**

Other products from CoverTec

Manufacturer and distributor of specialty chemical products used in the surface preparation, restoration and protection of building substrates. CoverTec products are used primarily in Flooring applications, Roof and Wall waterproofing and for Industrial and Commercial maintenance.

Our products have very low odor and VOC and can be applied to many substrates including concrete, wood, tile, stone, brick metal, rubber and aged asphalt. Key products groups include:

- Clear surface sealers
- Specialty coatings
- Substrate cleaners
- Waterproof coatings

Technical Support

CoverTec offers training and technical support with all our products. We have experts in the field and in the lab that can offer the highest level of technical service.

Green Product Solutions

CoverTec is committed to green building and **LEED** certification contributions. We are a member of the **US Green Building Council**, and have products backed by and range of approvals including Energy Star, USDA and NSF

CT-PowerStrip

Non-hazardous stripper for coatings, sealers, paints, varnishes. This product is safe to use, has very low odor, is cost-effective, and will handle almost any finish. It is perfect to use on concrete, wood, and most other substrates.

CoverSeal PEN50

Water and resistant penetrating clear sealer. Used on concrete, masonry or porous tile subject to staining or discoloration. No effect on appearance.

CoverShield Glaze Guard

High performance water clear polyurethane coating specifically developed for ceramic, porcelain and stone tile. Available in gloss, satin and matte finish.

CT-MicroClean HC

Microbial cleaner for oil contaminated surfaces. Used to clean and digest petroleum based oils and grease from concrete and pavers. MicroClean and its by products are environmentally safe and harmless to plants and animals.

CoverShield E400 WB

Two component, Low Odor, Water Based Epoxy Coating. The product is resistant to abrasion, weathering and a wide range of chemicals.
