

VinylGuard

High performance clear gloss sealer

Vinyl Composition Tile (VCT)

Luxury Vinyl Tile (LVT)

VinylGuard Sealer

- Eliminates floor stripping
- Eliminates floor waxing
- Over 40% saving in floor maintenance
- High wear resistance
- Long lasting, high gloss satin or matte finish
- Chemical stain resistant
- Zero odor
- Easy to clean

VinylGuard is a two component, highly durable Water based floor coating.

The product has high gloss and UV stability and is resistant to abrasion and a wide range of chemicals.

VinylGuard is water clear, odorless and has been specifically developed to be applied to Vinyl Composition Tile (VCT) and Terrazzo floors. It can also be used to coat rubber flooring, linoleum and porous tile.

The product self levels meaning that it is very easy to apply and results in a great looking floor when dry.

VinylGuard can also be provided with CoverGrip for increased anti-slip properties.

Approved Surfaces: VCT, Vinyl Plank, Sheet Vinyl, PVC, Luxury Vinyl, Linoleum, Marmoleum, Vinyl Asbestos Tile, Concrete, Wood, Terrazzo, Natural Stone, Epoxy and Urethane

Other products from CoverTec

CoverTec Products LLC is a US manufacturer and distributor of specialty chemical products used in the surface preparation, restoration and protection of building substrates. CoverTec products are used primarily in Flooring applications, Roof and Wall waterproofing and for Industrial and commercial maintenance.

Our products have very low odor and VOC can be applied to many substrates including concrete, wood, tile, stone, brick metal, rubber and aged asphalt. Key products groups include:-

- Clear surface sealers
- Specialty coatings
- Substrate cleaners
- Waterproof coatings

Technical Support

CoverTec offers training and technical support with all our products. We have experts in the field and in the lab that can offer the highest level of technical service.

Green Product Solutions

CoverTec is committed to green building and LEED certification contributions. We are a member of the **US Green Building Council**, and have products backed by and range of approvals including Energy Star, USDA and NFSI

Glaze Guard™

High performance water clear polyurethane coating specifically developed for ceramic, porcelain and stone tile. Available in gloss, satin and matte finish.

Floor Strip HP

Highly effective labor saving stripper that virtually eliminates the need for floor machines, pads, and rinsing. It will solubilize aged and built-up finishes and waxes almost instantly.

CoverShield E400 WB

Two component, Low Odor, Water Based Epoxy Coating. The product is resistant to abrasion, weathering and a wide range of chemicals. Excellent adhesion. Available in a variety of colors.

CoverSeal PEN55

Oil and Stain resistant, penetrating clear sealer. Use on concrete, masonry or porous tile subject to staining or discoloration.

GlossClean

Biodegradable neutral cleaner for high gloss floors. The floor dries film free and is safe and biodegradable.

CoverClean CT-30

Low odor, low VOC, water based coating remover that is extremely effective in removing tough coatings like urethanes and epoxies from vinyl tiles and other types of flooring.
